ABOUT US

We both are young and worked for two decades in two products based Indian Direct Selling companies. As leaders both we travelled a journey of extraordinary because we are self-made professional networkers. Direct selling has become an extremely popular sales model across India in the last two decades and we are passionate to work for this industry.

We were very much worried about youth especially women empowerment and talented people are not getting success. We repeatedly hear success in Direct Selling industry is too difficult, but that's not true. So, we started thinking of on it, we came upon the best source and a proven time tested distribution system, duly supported by the immense resources of our group of leaders. Winfinith is here to enlarge your vision and help you to the best of your capabilities and bring your dream life. We are determined to give dream life of the youth of the Nation to gainful employment by bringing them together under the umbrella of **Winfinith Marketing Private Limited**.

WINFINITH offers 100% guarantee on its products of **Baby Care, Personal Care, Oral Care, Homewin** and **KishanGrow** quality. If not satisfied it can be returned as per Product return policy of **WINFINITH Marketing Pvt.Ltd**.

To be sold only through **WINFINITH distributors**.

Women Health

60 CAPSULES

Advanced Winhemo Capsules

Winfinith Winhemo combination contains a mineral (iron) along with vitamins (Vitamin C, Vitamin B12 and Folic acid). The micro-nutrients support the role of iron in the body, help our bodies to produce and maintain new cells and boost the performance of the immune system. Ferrous Fumarate is used to treat iron deficiency anemia (a lack of red blood cells caused by having too little iron in the body). Folic acid is used to treat folic acid deficiency and certain types of anemia (lack of red blood cells) caused by folic acid deficiency. Folic acid helps your body produce and maintain new cells, and also helps prevent changes to DNA. Vitamin C is a powerful antioxidant that can strengthen your body's natural defenses. Antioxidants are molecules that boost the immune system. They do so by protecting cells from harmful molecules called free radicals. It may help lower blood pressure in both those with and without high blood pressure. It can help improve the absorption of iron from the diet. Vitamin C assists in converting iron that is poorly absorbed, such as plant-based sources of iron, into a form that is easier to absorb. Vitamin B12 plays a vital role in helping your body produce red blood cells. Zinc can improve the immunity system.

Recommended Usage: One or two capsules daily for adults and children above 12 years

AYURWIN

Ayurveda with Winfinith

Ayurveda is a traditional science of medicine with its roots in India. The word Ayurveda is a Sanskrit term meaning the science of life. Ayu means life or daily living and Veda is knowledge. Ayurveda was first recorded in the Vedas, the world's oldest extant literature. Ayurveda is a 5000-year-old wellness practice, originating long before the western world even started thinking about wellness. Our five senses serve as the portals between the internal and external realms, as the five great elements of space, air, fire, water, and earth dance the dance of creation around and within us. Ayurveda groups these five elements into three basic types of energy and functional principles that are present in everybody and everything. Since there are no single words in English to describe these principles; we use the Sanskrit words Vata, Pitta, and Kapha to describe their combinations.

Natural G-Krill Oil Softgels

Antarctic Krill, which is the source of Krill Oil, is consisted of three major components-The omega-3 fatty acids, EPA (Eicosapentaenoic Acid) and DHA (Docosahexaenoic). Omega-3 polyunsaturated fatty acids are also found in oil. The omega-3 fatty acids in Krill oil are absorbed and carried to the body's cells in phospholipid form. Omega-3 fatty acids, in combination with diet and exercise, work by lowering the body's production of "bad", low density lipoprotein (LDL) and triglycerides, and may raise high density lipoprotein (HDL) "good" cholesterol. High levels of cholesterol and triglycerides can lead to coronary artery disease, heart disease, and stroke. The consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease. Its Contains Astaxanthin is an antioxidant. This effect might protect cells from damage. Astaxanthin might also improve the way the immune system functions. Its Also Contains Phospholipid-derived fatty acids (PLFA), which may result in better absorption, and marine lethicin.

FITNESS & DIET

Losing weight as part of weight management is important because weighing too much is not good for health. Being overweight increases your risk of health conditions such as heart problems, high blood pressure, type 2 diabetes, osteoarthritis, sleep problems, respiratory (breathing) problems and many others. The best way to lose weight is to eat fewer calories (units of energy that your body gets from food) and get regular exercise. Losing even a small amount of weight can lower your risk of health problems. Overweight and obesity are defined as abnormal or excessive fat accumulation that causes several health problems. It is one of the major risk factor for a number of chronic diseases, including diabetes, cardiovascular diseases and cancer. Winfinith this range is specially designed for fitness & weight management. It will provide you ways to manage a healthy body weight and lead a healthier life by means of balanced nutrition. Enjoy with Winfinith nutrition diet.

Whey Protein Powder

Winfinith Whey protein made up with 85% whey protein and 15% soya isolated protein(for every 100 grams you will get near by 77% Protein) , along with other essential vitamins and minerals in double rich chocolate.

People commonly use whey & Soya Protein as supplementation, alongside resistance exercise, to help improve muscle protein synthesis and promote the growth of lean muscle mass. Milk is made of two proteins, casein and whey.

Whey protein can be separated from the casein in milk or formed as a by-product of cheese making. Soya protein isolate is collected from soya beans. Whey protein: Whey protein is considered a complete protein as it contains all 9 essential amino acids. These may help to weight loss, muscle building and lowering cholesterol. Whey protein is a mixture of beta-lactoglobulin, alpha lactalbumin, bovine serum albumin, and immunoglobins. Researches shows that whey protein have Anti-cancer properties, Lowering cholesterol, Asthma response, Blood pressure and cardiovascular disease, Reducing weight loss in people with HIV. Soya Protein Isolate: Soya protein isolate contains very little fat and no cholesterol and soy-based high-protein diets are effective for weight loss as it is animal-based high-protein diets. This product has Lutein and Zeaxanthin, which helps in improving the eyesight, night vision and prevent eye irritation. Tagetes Eretca (Marigold flower extract): Most marigolds have a carotenoid profile of 80 percent lutein to 5 percent zeaxanthin. According to Chrysantis general manager Manuel Pavon, zeaxanthin represents half of the macular pigment and its location suggests that it has a very particular role to play in protecting the macular and the lens. Vaccinium myrtillus (Bilberry fruit extract): Bilberry is also sometimes used by mouth to treat eye conditions such as disorders of the retina, cataracts, near sightedness, and glaucoma. It helps in preventing against eye conditions like age-related macular degeneration.

Natural Ganoderma Capsules

Winfinith Ganoderma lucidum, commonly known as the lingzi mushroom, is frequently used in traditional Chinese medicine. Its popularity extends to Japanese and Korean medicine, and it has been making its way west.

Ganoderma lucidum has anti-oxidative effects when supplemented. It also has a therapeutic effect on insulin resistance, help to reduces the risk of prostate cancer, and can help treat a variety of conditions associated with metabolic syndrome. The lingzi mushroom is well known for its anti-cancer effects. It is able to activate natural killer cells, increasing their activity and the body's ability to fight tumors. Ganoderma lucidum has a variety of mechanisms, but they are focused on moderating the immune system. The lingzi mushroom is able to reduce immune system activity when the system is overstimulated, and boost the immune system when it is weakened. In general, Ganoderma lucidum increases the amount of active immune system cells.

O'BABY BabyCare

In the first few months our baby's skin is continually developing, so as well as being as soft, its also super delicate. Baby's skin is 30% thinner than ours, so its more vulnerable to damage and dryness and their skin barrier is weaker too, which means baby's skin loses moisture up to five times faster than ours does. Thats why O'Baby is giving the best baby care to your Baby

O'BABY

Gentle Baby Oil

Winfinith O'BABY Gentle baby oil comes up with a formulation that will ensure the baby's soft skin well catered. The well-maintained skin of a baby is a powerful preventive measure to their health.

O'BABY Gentle baby oil is made up of: Almond oil which is rich in anti-oxidants and vitamins which nourish the baby skin and, keep it soft and supple. Almond are used as exfoliates to get rid of impurities.

Jojoba oil keeps your skin calm and comfortable. The Vitamin E and B-complex vitamins help in skin repair and damage control. Sesame oil has the ability to fight damage by free radicals, or unstable molecules that can harm the cellular structure of skin. Soya oil is a natural barrier to help retain moisture. Sunflower oil is effective for combating skincare issues like acne, inflammation, general redness and irritation of the skin. Vitamin E protects cell membranes from damage by oxygen free radicals.. Its role in skin care is to reinforce the moisture barrier, rather than to deliver copious amounts of hydration.

Perfect

skin face body care

Winfinith Perfect is a complete range for daily skin, hair and body care.

With best of the natural and well-researched ingredients, it gives assurance to provide healthy and glowing skin and hair every day. It gives nourishment and care needed for a radiant and younger looking skin.

SKIN CARE is a routine daily procedure in many settings, such as skin that is either too dry or too moist, and prevention of dermatitis and prevention of skin injuries. Proper skin care is important because our skin is the largest barrier against infection that we have. Keeping our skin healthy and moist helps keep this barrier strong. When the skin gets dry or irritated by harsh soaps, cracks in the skin can occur. Cracks in the skin make a person more prone to infection. Winfinith Perfect Skincare products give solution to your Skin.

Perfect Cleansing Skin Lotion & Toner

Face toner is a quick, absorbing liquid that helps to remove excess dirt, traces of oil and makeup, correct and balance the pH of your skin, and helps control acne by reducing the oil from skin. In other words, a facial toner thoroughly cleans the skin and helps remove built up surface dead skin cells. By helping to clean and close pores, it's especially beneficial for acne-prone skin.

ALOE VERA EXTRACT - It can also help exfoliate the skin to make it smoother. It moisturizes and can dry out the skin. It can help with future lines and wrinkles. **NEEM EXTRACT** - Constitutes: Oleic Acid, Palmitic Acid, Stearic Acid, Linoleic Acid, Vitamin C, and Carotenoids. Maintain the softness, suppleness, and radiance of skin. Reduce the appearance of aging, such as premature wrinkles and fine lines. Have exceptional cleansing properties. Exhibit anti-oxidant properties. Soothe acne and reduce chances of future outbreaks. Promote moisture retention in skin. Have antiseptic, antifungal property. **LEMON OIL** - Lemon Essential Oil tightens and tones skin, reduces the amount of oil production in skin, and leaves the complexion looking vibrant, healthy, and smooth

haircare

A woman's hair is the first most noticeable part of her beauty. It enhances her personality. It's an important part of your appearance and sets the tone for your entire look. With a good hair-do you will feel in control of yourself and ultimately feel confident. The first step in hair-care is your diet and the two most important things in your diet are iron and protein. Don't wash your hair every day and whenever you do, apply some conditioner on the ends. Try and use the shampoo and conditioner. shampoo helps to remove dirt and grim from hair, it also rips off essential moisture and oil from the hair, making it dry and fizzy. For your healthy hairs Winfinith Perfect introducing shampoos & hair oil, hair removing cream. Winfinith perfect hair care products made up with natural oils. It's essential for your hairs, it's given good conditioner and moisture effect to your hair.

Perfect Dandruff Free Shampoo

WINFINITH PERFECT DANDRUFF FREE SHAMPOO is beneficial in problems like dandruff and hair loss which is prevalent due to improper cleaning of hair follicles leading to clogging of dirt and impurities. WINFINITH PERFECT DANDRUFF FREE SHAMPOO consisted of; TEA TREE OIL containing terpinen-4-ol, Terpinene and -terpinene as about 70% to 90% of whole oil, while p-cymene terpinolene, terpineol, and Pinene collectively account for some 15% of the oil.

Benefits - For Daily Cleansing using tea tree oil shampoo. This would result in clean hair follicles and ensure good health of hair. It help to improve blood circulation and removes all toxins from the scalp, paving way for healthy hair growth. It also stimulates the dormant hair follicles and brings them to life. It prepares the hair and scalp to absorb nutrients efficiently, which helps in hair growth. For Hair And Scalp Dryness it is very useful in treating hair dryness. It provides supplements to the scalp and removes blockages in the hair follicles. With the use of tea tree oil, the hair grows with a healthy amount of nutrients and this prevents hair from becoming dry and brittle. Conditions like seborrheic dermatitis, which lead to scaly dry patches on the scalp can also be treated with this shampoo. For Dandruff -The root cause of dandruff varies from person to person. Oily, irritated skin, bad hair hygiene and skin conditions like fungal infections can result in dandruff. The anti-fungal action of tea tree oil helps in removing dandruff without causing any dryness.

KisanGrow Kisan HAP Granules

Kisan HAP Granules is a bio stimulant plant containing 10% Humic substances, 10% Fulvic Substance, 10% Amino Substance. It accelerates plant metabolic process and helps to enhance the uptake of nutrients. It helps to overcome moisture stress, increase yield parameters, contributing to higher yields and quality of crops. It improves soil texture by binding soil particles, enhancing soil porosity, soil aeration and water-holding capacity. Its higher cation exchange capacity helps higher nutrient availability and prevents leaching of nutrients. Activates the plant metabolic processes due to the presence of phytohormone like activity. Helps the plant to optimise overall growth yield.
